

A decorative graphic consisting of several overlapping arcs and circles in blue, red, yellow, and green, arranged in a circular pattern around the text.

European Girls' Olympiad in Informatics

SOI Day, Jan 8th 2022

Charlotte Knierim

What is EGOI?

- ▶ Additional international competition just for girls
- ▶ First edition was held in Zurich this year
- ▶ Inspired by EGMO in maths which has been held since 2012

EGOI 2021

- ▶ 157 Participants, 43 Countries, more than 80 Volunteers, 79 Medals
- ▶ Two online competitions, one practice session, online social events
- ▶ 14 people onsite, countless sleepless nights

Why have such a competition?

- ▶ Motivate girls to participate in SOI
- ▶ Connects girls interested in CS all over the world
- ▶ Create role models for the younger generation

How does EGOI continue?

- ▶ We got a lot of positive feedback
 - ▶ EGOI 2022 in Turkey in October
 - ▶ Hopefully many more to follow
